

## 1/3-scholarship for “Emerging Markets” General Management MBA: Your kick-off to a career in management

On **November 11<sup>th</sup>, 2016** the postgraduate master program **General Management MBA** will start for the 17<sup>th</sup> time. This successful MBA program is conducted by the TU Wien in cooperation with Danube University Krems.

The TU Wien and the Danube University Krems want to support individuals from the so called “Emerging Markets” in their advancement in careers and is offering a special grant to allow individuals from Eastern and South-Eastern European countries to get further academic education, intercultural competence and perfect a foreign language.

### 2 Partial Scholarships

Two scholarships in the amount of **one third of the program fee** are awarded to alumni of technical, technical-economical or natural science. Admitted individuals from **Eastern or South-eastern European countries** must hold an academic degree along with a minimum of two years’ work experience and adequate knowledge of the English and German language.

### Application Requirements

- High motivation for the participation in the General Management MBA
- Financial need, no financial support by company (private financing of the MBA program)
- Successful completion of the admission process

### Application

Persons who are interested in the scholarship may **apply until June 30, 2016**. The **application documents (incl. letter of motivation, CV and copy of certificates)** should be sent by **e-mail** to [gm-mba@tuwien.ac.at](mailto:gm-mba@tuwien.ac.at).
